Machinery rates apply to shipments received directly at show site only. All shipments received at the advanced warehouse will not be subject to machinery rates.

Certified weight tickets and proper documentation will be required on all loads containing machinery/equipment. Any shipments containing a mixture of exhibit material and machinery/equipment not accompanied by separate certified weight tickets will be charged at the prevailing exhibit materials rates. All machinery/equipment shipments not crated or skidded or without proper lifting bars or hooks will be considered uncrated exhibit material and charged at prevailing rates.

Machinery rates apply for machinery that exceeds 7,500 or greater.
